(4.1) From front door TR around village hall and follow enclosed FP through barrier to RD. TL through village passing minor road to church on L to reach RD junction (SP Hooke) and continue AH on RD (SP Maiden Newton and Dorchester) for 50m to reach FP on R (just after "road liable to flooding sign") (GR SY 564979)
(4.2) Through field gate (usually open) and X field to small metal gate. BR across disused railway line and immediately down bank to gate and X ST. BL across field (CB 130°) to field corner. X small footbridge and TR across field (CB 165°) to go through metal KG in hedge. Continue AH across field (CB132°) to go through KG in field corner. Immediately go through old metal field gate (five way SP Wynford Eagle 1½) and X new footbridge. AH (CB 132°) diagonally uphill through field to X ST in field corner. Continue AH (CB 130°) across field to go through metal field gate (JT).
(4.3) AH (CB 130°) across field to brow of hill and descend to metal field gate (JT). Continue AH (CB 130°) uphill to X ST in hedge (JT). X footbridge over ditch and X TK to X ST. AH (CB130°) across field to X ST in hedge (look carefully for this stile at night) AH (CB 133°) descending across field to small waymark post and X narrow plank footbridge over small stream. Continue AH (CB 133°) for 30m to go through metal gate. AH (SLOT) steeply uphill for 110m to small waymark post on edge of wood. AH into wood for 10m to X ST.
(4.4) TR with wire fence on R for 10m and TL on path out of wood. BR on faint path (CB 146°) uphill passing small WM post. Continue on same bearing steeply uphill (faint path) through rough grass for 100m to reach next small WM post by bushes (waymark post may be fallen) Go through gap in bushes uphill (CB 140°) for 150m (faint path) to end of wood on skyline. Now with FB on R to soon reach metal gate by SPs. Go through and TR through wide gap and immediately TL with FB on L for 150m to metal gate. Go through and descend X field (CB 160°) for 200m to reach valley bottom, then BL (CB 130°) for 200m to reach metal gate and RD.
(4.5) TL on RD (immediately pass Village SP Wynford Eagle) and later passing cottages and small church on R to reach RD junction at Wynford Eagle (GR 584960). X RD and AH uphill on track between buildings for 200m to reach T fork in track (chalk pit face ahead). TR uphill on a wide enclosed track through metal gate. At end of fence on R continue gently uphill AH (CB 170°) through field on rutted TK with power line and FB on L. After 200m pass barn on your R (barn may not be easy to see in dark) and continue AH (CB 185°) for 200m with hedge on L. At end of hedge, go through metal gate. TL on faint TK across field and in 150m through gap in hedge by metal gate to reach RD. (Greenford Lane) (GR 589953).
(4.6) TR on RD for 600m (passing farm buildings behind hedge on L) to reach BW on L by barn (GR 588947) (SP on R in hedge). TL through metal gate by barn and continue AH (CB 075°) with FB on L on rutted TK for 250m to FB corner (do not go through gap in hedge). TR (CB 140°) and continue still with FB on L to pass ST on L (do not cross). Continue (CB 150°) now with wood on L. At end of wood continue AH (CB 150°) across field to reach metal gate by barn (GR 593943).
(4.7) Go through gate to TL on TK (CB 085°) and continue AH for 500m with FB on L (passing through metal gate) to reach next metal field gate and SP. Go through gate and TL through second small gate (SP Notton 1¼). With FB on L continue AH (CB 0°) downhill to go through metal field gate. Continue AH (with FB still on L) descending for 100m to reach metal gates (GR 599946) (Do not go through gates) TR (CB 110° at first) descending on grassy TK to valley bottom. (Southover Bottom - dry chalk valley)
(4.8) Continue AH for 2 km along curving valley bottom on grassy TK passing through three metal field gates (usually left open). Continue AH to reach metal field gate with small gate to side (GR 619950).
(4.9) Go through FP gate and TR on stony TK, soon becoming tarmac RD into Southover . AH on RD for 500m passing houses and cottages (Southover village) to reach minor RD junction. TL down hill on RD and continue for 300m over bridge (River Frome) to reach main RD (A356) at Frampton. TL on pavement and continue for 150m to reach checkpoint in Frampton Village Hall (GR 623951).
